

REMARKS

The claims were restricted to the following inventions:

- I. Claims 1-18, drawn to displaying order confirmation information in connection with an audibly placed order, classified in class 705, subclass 16.
- II. Claims 19-20, drawn to displaying a user interface to an order confirmation information system for use in connection with an audibly placed order comprising multiple display areas, classified in class 705, subclass 16.

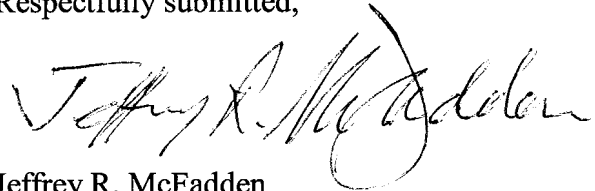

Applicants are required to elect a group to be examined and to identify the claims encompassing the elected group. Applicants hereby elect Invention I, Claims 1-18 which are drawn to displaying order confirmation information in connection with an audibly placed order, for further prosecution on the merits. Applicants have cancelled claims 19-20.

Because Applicants have elected Invention I, Applicants are also required to elect a species from subject matter pertaining to the first embodiment of the invention or subject matter pertaining to the second embodiment of the invention. Applicants hereby elect the species pertaining to the first embodiment of the invention. The claims readable thereon are claims 1-2 and 4-18.

Conclusion

It is believed that the claims are currently in condition for Examination on the merits. The Examiner is encouraged to contact Applicants' undersigned counsel with any questions regarding this election.

Respectfully submitted,

Jeffrey R. McFadden
